reference, (1) Conversion of the abolished third class T. Bungalows into Musafirkhana & (2) Grant of a uniform pay of Rs 6/- to Caretakers of all 3rd class Bungalows.

There is no difficulty about accepting the first proposal as regards (2), though in the Rev Secrett Sanction had been accorded to the higher rate of pay to the said employees, in a later order of a general character issued from the Chief Secrett a reduction in the pay of some of the employees has been effected. This order therefore has to be taken as having superseded the previous order But since the Bd are prepared to grant the higher pay, it seems not necessary to interfere with their decision in the matter. The Chief Secrett to whom this file had been sent are apparently taking action in the matter.

A discussion arises now as to whether an order may issue as regards point (1) only as in the draft proposed or the decision of the Chief Secrett awaited.

It lays down in a few words the way in which Travelling Bucksellers and these are subject to alteration as occasion arises. What we say except as to increase the pay & the conditions of certain Travelling Bucksellers from Rs 50 to Rs 60. In these days of high prices when wages & labourers have been greatly increased, it is not possible to reduce the salaries & conditions of the last pay that has been fixed. I think the recommendation may be sanctioned. Please submit draft.

16. It is respectfully submitted that the order of 24th June 1918 regarding the management of Travellers' Bungalows is a general order issued evidently with a view to secure uniformity of procedure. If exceptions are to be made in the case of Bungalows and the management of D.B.s, it would be better to issue a general amendment to the said order so that discretion may be vested in the D.B.s to vary the scale of pay of the Bungalow servants. Exception in one case may lead to referees being in other cases also. The number of employees may be the same as fixed in the order.

17. The Chief Secty. it is understood are taking action in this connection, on a reference made from here (vide para) above) and the result of their action may be submitted be awaited if approved.

S i r,

With reference to Government Order No.G. 17618-78/Gen 198-
-- 30 dated 24th June last, issuing instructions with regard to the management of the travellers bunglows, I have the honor to state that the matter was placed before the District Board in their meeting held on the 23rd November and they have resolved that the caretakers or watchmen of all the Bunglows may be paid at the uniform rate of Rs.6/- instead of Rs.5/- a month as sanctioned therein in the case of some and that the abolished Bunglows of Tiptur, Ankasandra and Tirumani may be converted into Musaferkhanas with caretakers on Rs.6/- a month. As Government in their Order No.5934-5/LB 20-17-14 dated 23rd April 1918, sanctioned the increase of pay to all the caretakers of travellers bunglows and Musaferkhanas at the rate of Rs.6/- a month and as the provision at this increased rate is being made in the budget and paid accordingly since then, I request that Government sanction may kindly be accorded to the boards' resolution, a copy of which is herewith submitted for favor of perusal.
